Queer Xangjug

• **19-20 April 2025: Graduation Ceremony of Batch 1.0**

• **20 June 2025: Call for Applications released for Batch 2.0**

Queer Xangjug, launched by Akam Foundation, is a nine-month journey empowering young queer individuals and allies across Assam through four phases on gender, sexuality, intersectionality, leadership, and social action. Combining residential workshops and virtual sessions, it created a transformative space for queer youth leadership and community building.

The program began with a four-day residential workshop for 29 participants, followed by virtual sessions with queer and trans* leaders like Grace Banu, Satvik, Meera Sanghamitra, Santa Khurai, Milin, and Rudrani on leadership and activism.

The third phase in Majuli focused on social action through theatre, reading circles, and storytelling, helping 22 participants design community action plans. The journey concluded with a graduation ceremony reflecting on learnings and future commitments.

Queer Xangjug stands as a celebration of self-discovery, leadership, and collective vision for queer justice and inclusive change.
